Rental of Costumes and Equipment Owned by the Westernaires

General:

The Rider and Parent/Guardian (“Parent”), upon entering any show team or act using Club costumes, will be required to sign this agreement. The Club will retain the master file of signed forms. This signed form will serve as an agreement for all future transactions of this nature and will avoid new signatures with each transaction.

Rental of Costumes and Equipment:

It is understood and agreed that the costumes and equipment owned by the Westernaires will be used by the Rider only after paying a nominal rent each year. This annual rent entitles the Rider to use said costumes and equipment in prescribed Westernaire activities from January of one year until January of the next year. The Rider agrees to take adequate care of the costumes and equipment. Any costume or equipment lost or damaged by carelessness requires that the Rider promptly repay the current replacement cost or repair cost.

If the Rider leaves the team or Club for any reason, any costumes or equipment owned by the Club and in the possession of the Rider must be returned promptly to the Monitor, both clean and in good condition.

Rents are set on a minimum basis and will not be prorated. In cases where a team rider advances to a new team in less than three (3) months, the rent will be prorated to that of the new team.

The Club agrees to provide a serviceable costume. Riders are required to use Club equipment and costumes in order to maintain a uniform appearance.

A Rider who fails to pay the required costume rent will be removed from the teams involved.

The signature of the Rider and Parent below constitutes agreement with this policy and acceptance of the agreement.
